

**EMORY UNIVERSITY SCHOOL OF MEDICINE
STANDARD CURRICULUM VITAE FORMAT**

Revised: August 14, 2012

Name: Sameh A. Labib, M.D.

Office Address:

Emory Orthopaedic and Spine Center
59 Executive Park South
Atlanta, GA 30323
Telephone: 404-778-4398
Fax: 404-778-3835

E-mail Address

slabib@emory.edu

Citizenship:

US Citizen

Current Titles and Affiliations:

a. Academic appointments:

Assistant Professor of Orthopaedic Surgery
Emory University School of Medicine
1999 - 2012

Associate Professor of Orthopaedic Surgery
Emory University School of Medicine
2012 – present

Orthopaedic Attending
Atlanta VA Medical Center
1999 – present

Director, Foot and Ankle Service
Emory Orthopaedic and Spine Center
2006 - present

b. Clinical Appointments

Head Team Physician
Oglethorpe University
2003 – present

Head Team Physician
Perimeter College
2007 – present

Consulting Team Physician

Atlanta Falcons

2010 - 2011

Georgia Tech
2001 – Present

Team Orthopedist
Spellman College
2009 – present

Team Orthopedist
Emory Univeresity
2000 – present

Previous Academic and Professional Appointments

Assistant Professor of Surgery
Division of Orthopaedic Surgery
University of Kentucky
Lexington, KY 40536-0284

Previous Administrative Appointments

Vice Chief of Surgery Department
Hazard ARH Regional Medical Center
1995 – 1996

Licensures/Boards:

State of Georgia, 047338 1999

Specialty Boards:

- 1991 Orthopedic Surgery Certification
Royal College of Physicians and Surgeons (Canada) FRCSC
- American Board of Orthopedic Surgery- 1996
- Recertified, American Board of Orthopedic Surgery - 2006
- ABOS subspecialty certification in sports medicine surgery 2008

Education:

M.B., B. CH (Honors)
School of Medicine
Ain-Shams University
Cairo, Egypt
1980

Postgraduate Training:

1981 - 1982 Rotating Internship
 University Hospital
 Cairo, Egypt

1982 - 1984 General Surgery House Officer
 The Anglo American Hospital
 Zamalek, Cairo, Egypt

- Director: Samir Massoud, M.D., FRCS
- 1985 - 1986 Orthopaedic Surgery Research Fellowship
Royal Victoria Hospital
McGill University
Montreal, Canada
Director: C. A. Laurin, M.D., FRCSC
- 1986 - 1987 Rotating Internship
Royal Victoria Hospital
Montreal, Canada
- 1987 - 1991 Orthopaedic Residency Program
McGill University
Montreal, Canada
Director: C. A. Laurin, M.D., FRCS
- 1992 Jan-July Sports Medicine Fellowship
University Hospital
London, Ontario, Canada
Director: Peter J. Fowler, M.D., FRCSC
- 1993 M.Sc. Experimental Surgery
McGill University
Montreal, Canada
- 1998 - 1999 Foot and Ankle Fellowship
Alabama Sports Medicine and Orthopaedic Center
Birmingham, Alabama
Director: John S. Gould, M.D.

Committee Memberships:**National and International:[Committee, office held if any, year(s)]**

- 2001 – 2002 Sports Medicine Committee
American Orthopaedic Foot and Ankle Society
- 2003 – 2004 Orthosis and Footwear Committee
American Orthopaedic Foot and Ankle Society
- 2008- 2011 Public Education Committee
American Orthopaedic Foot and Ankle Society
- 2009- 2010 Workgroup Member: AAOS Committee, Guidelines on the
Treatment Of Ankle Arthritis
American Academy of Orthopaedic Surgeons

Institutional

- Quality Assurance Committee
Hazard ARH Hospital

1993-1994

Professional Activities Committee
Hazard ARH Hospital
1995-1996

Infection Control Committee
Hazard ARH Hospital
1996-1997

Pain Management Committee
Hazard ARH Hospital
1996-1997

Operating Room Advisory Board
Crawford W. Long Hospital
1999-2000

Faculty Development Workshop Participant
Emory University, December 8, 2000
2000

Resident- Faculty Committee, Emory Department of Orthopedic Surgery
2009 – Present

Marketing Working Group, Emory Department of Orthopedic Surgery
2010 – present

Emory BPI Research administration focus group
November 9, 2011

Emory BPI Research administration focus group
February 1, 2012

Manuscript Reviewer:

“Arthroscopy” The Journal of Arthroscopy and Related Surgery. 2011- Present

Honors and Awards:

- | | |
|-----------|---|
| 1980 | Graduated with Honors
Ain-Shams School of Medicine
Cairo, Egypt |
| 1989 | Eugene Rogala Best Resident Research Award- McGill Orthopedic Residency |
| 1990-1991 | Chief Resident, Department of Orthopedic Surgery, McGill University |
| 2001 | Best Foot and Ankle Paper
Robert Kelly Orthopaedic Society Meeting, Atlanta, Georgia
April 2001 |

- 2001 Nominated among Top Sports Medicine Doctors in Atlanta by Atlanta Magazine, August 2001
- 2006 Nominated among Top Doctors in America, Southeast Region
- 2010 Selected as a Top Doctor in Atlanta, GA by the International Association of Orthopedic Surgeons. www.iaorthopedics.com
- 2007 - 2011 Nominated among "America's Top Doctors" by Castle Connelly Ltd. www.CastleConnelly.com
- 2009 – 2012 Nominated among "Best Doctors in America" by www.bestdoctors.com
- 2012 Nominated to AOA

Society Memberships:

- 1) American Sports Medicine Fellowship Society, Birmingham, Alabama
Board Member at Large
Secretary 2009 – 2010
Vise President 2011- 2013
- 2) American Academy of Orthopedic Surgeons
- 3) Fellow, Royal College of Physicians and Surgeons (Canada)
- 4) American Orthopedic Foot and Ankle Society
Sports Medicine Committee 2001-2002
Orthoses and Footwear Committee 2003-2004
Public Education Committee 2007-2011
- 5) Member, American Orthopedic Society of Sports Medicine
- 6) Member, Little Orthopedic Club. 2006 - present
- 7) Member, Fowler Fellowship Association
- 8) Georgia Orthopedic Society
- 9) Georgia Foot and Ankle Society
Member, 2005 - present
President 2006-2007, 2008-2009

Research focus:

Cartilage allograft in the treatment of Cartilage defects.
Gait analysis and outcome study of total ankle arthroplasty.
Achilles tendon rupture repair.
Knee ACL reconstruction.

Patents

Issued:

Provisional patent application serial number 61/167,964 entitled "Orthopedic Brace" Filed on April 9, 2009

Provisional patent application serial number 61/223.871 for GTRC ID No. 4690 Entitled "Process and tooling for cartilage graft surgery" filed on July 8, 2009

Grant Support:

a. Active support:

Principal Investigator:

'Post-Market, Longitudinal Data Collection Study of DeNovo® NT for Articular Cartilage Defects of the Knee' (ID#: F19674-00). Industry Funded.

Co-investigator. Ankle Replacement versus Arthrodesis: Clinical and Biomechanical outcome. Unfunded 2009 – 2010

b. Other

Principal Investigator. The effects of significant weight loss on symptomatic knee osteoarthritis in the young morbidly obese patient: a prospective case controlled study Unfunded 2004 - 2011

Principal Investigator. Physican Communication Across Various Practices. Unfunded_2007 – present

b. Previous Support

“Perioperative Monitoring of Leg Compartment Pressure in Arthroscopic ACL Reconstruction” Amendola A, Labib SA. University Hospital Pooled Research Trust Fund -- London, Ontario, Canada 1992

“The possible cause and significance of a ‘pop’ sensation in acute hemarthrosis of the knee.” Fowler P, Labib SA. University Hospital pooled research trust fund. London, Ontario, Canada

Local Center PI: Prospective Randomized Multicenter Study of NexGen® LPS-Flex Knee. : Industry sponsored. 25,000 \$. 2004-2007

Co-Investigator. Double-blind multi-center phase 3 study comparing the efficacy and safety of MS103HP with vehicle in patients undergoing autograft ACL Reconstruction. Omeros Inc. Industry funded \$34,000 2006-2008

Co-Investigator, Double-blind, multicenter study evaluating the safety of OMS103HP and vehicle in patients undergoing anterior cruciate ligament reconstruction (Protocol C04516) Omeros Inc. Industry sponsored. \$195,000 2006-2008

Co-Investigator, ConforMis, Inc. Study to evaluate the performance of the ConforMIS iPD (Protocol #CCP-03002) Industry sponsored \$44K 2007-2009

Clinical Service Contributions:

- 1999 – present Consulting Physician
Emory Sports Medicine Athletics
- 2000– present Consulting Physician
Georgia Tech
- 2002 – present Head Team Physician
Oglethorpe University

April 2005` Cycling Event Coverage, Tour de Georgia, Rome, Georgia

April 2006 Event Coverage, Tour de Georgia, Rome, Georgia

March 16, 2008 Event Coverage, SEC Basketball Finals

2009 – present Team Physician
Spellman College Athletics

December 5, 2009 MD Event Coverage
SEC Football finals
Atlanta, Georgia

2010 – 2011 Consulting Physician; Atlanta Falcons, NFL

Formal Teaching:

[Activity, year(s)]

- a. Medical Student Teaching
 - 1985 - 1986 Instructor, Anatomy Laboratory
McGill University
 - 1986 - 1987 Instructor, Introduction to Practice of Medicine Course
McGill University
 - 2003 - 2011 M1 Anatomy Lecture Participant, Emory University
 - 2007 - 2008 M2 Mentor Program, Emory University
 - 2008 Mentor - Emory M2 student research paper submitted for
publication
- b. Medical Student Mentorship:
 - Alexis Tingen, Emory M2. Summer 2008 Research Mentorship. Talus OCD
 - Peter Hanna, MCG M2. Summer 2009 Research. Achilles Tendon.
 - Sam Borrelli, USF M2. Summer 2011 Research. Gait Analysis.
 - Leslie Golden. Emory M1. Research project 2012.
- c. Graduate Program

Residency program

- 1992-1998 Preceptor, Orthopaedic Surgery, UK Center for
Rural Family Medicine Residency Program
- 1999 - 2002 Co-organizer, Journal Club,
Emory University Department of Orthopedic Surgery

One on One Instruction of residents on orthopedic rotations
- 2000 - 2009 Faculty Resident Site Supervisor, Atlanta VAMC

- 2007 - Present Faculty Organizer
Emory Sports Medicine Journal Club
- 2008-2010 Lecturer: Emory Physical medicine and Rehab Grand Rounds
- 2010 Lecturer: Emory Emergency Medicine Grand Rounds
March 31, 2010
- 2010 Lecturer: Emory University Physical Therapy Program
“Foot and ankle: review of anatomy, clinical evaluation and treatment”. May 26, 2010
- 2010- present Co-Chair: Emory Orthopaedic Annual Primary Care Review
- 2010 Emory Orthopaedic Surgery Grand Rounds
“Surgical treatment of Talus OCD”
April 27, 2010
- Jan 2012 Lecturer: Core Orthopedic Sports Medicine Lecture Series
“ Cartilage Repair and Joint Preservation”
“ Sports Injuries of the Foot and Ankle”

d. **Orthopaedic Sports Medicine Fellows Trained (Faculty Member)**

- Jordan Goldstein, MD. Emory Orthopedic Sports Medicine Fellowship 2008-2009
- Edward Jackson, MD. Emory Orthopedic Sports Medicine Fellowship 2009-2010
- Steven Brantly, MD. Emory Orthopedic Sports Medicine Fellowship 2010-2011
- Spencer Romine, MD/ Blake Shocley, MD. EOSMF Fellows 2011-2012

Lectureships, Seminar Invitations, and Visiting Professorships:

1. Office orthopedics for primary care- Emory University, Atlanta, GA.
Three Titles: Common foot & ankle problems/
Common knee problems/
Foot & ankle examination”. November 19,1999.
2. Mid- America Orthopedic Association Meeting. Scottsdale, AZ.
Title: The Heel Pain Triad. April 29, 2000.
3. Grady health centers primary care. - Emory University, Atlanta, GA. Title: “ Office
Orthopedics: foot & ankle.” January 11, 2000.
4. Southern Orthopedic Association Meeting. Orlando. FL .
Peroneal Tendon Problems/ Ankle Instability. Nov.3,2000.
5. Sports Medicine For Primary Care Physicians And Athletic Trainers. Emory University,
Atlanta, GA. Two Titles: Running Injuries/ Foot and Ankle Examination. Feb. 23,2001.

6. Emory 26th Annual Comprehensive Board Review Course in Internal Medicine, Atlanta, Georgia. Title: General Orthopedics Review. July 25, 2001.
7. Visiting Lecturer: Centre Hospitalier St. Luc. Brussels, Belgium.
Ankle Instability and the Peroneal Tendons: An Overview. October 4, 2002.
8. Visiting Professor: The General Organization for Teaching Hospitals and Institutes (GOTHI), Cairo- Egypt. **Multiple Presentations: Labib SA: Update on ACL reconstruction, Cartilage repair, Common Sports Injuries.** December 10-16, 2002.
9. Medical Grand Rounds, Emory Crawford Long Hospital, Atlanta, GA. Title: Common Knee Problems in Office Practice. January 11, 2002.
10. Morehouse Department of Medicine, Morning Rounds, Grady Hospital- Common Knee Problems. March 1, 2002.
11. Office Orthopedics, Sports Medicine and Spine Problems: A Primary Care Update. Emory University, Atlanta, GA . March 22-23, 2002.
Common Foot and Ankle Problems
How to Examine the Lower Extremity.
12. Emory Department of Physical Medicine and Rehabilitation. Atlanta, GA
Running Injuries, presentation and treatment. August 15, 2002
13. Emory Department of Physical Medicine and Rehabilitation. Atlanta, GA.
Common Knee Problems. June 26, 2003.
14. Office Orthopedics, Sports Medicine and Spine Problems: A Primary Care Update. Emory University, Atlanta, Georgia. March 26-27, 2004.
Common Foot and Ankle Problems
Cartilage Repair: 2004 Update.
15. Office Orthopedics, Sports Medicine and Spine Problems: A Primary Care Update. Emory University, Atlanta, Georgia. April 15-16, 2005.
Common Foot and Ankle Problems
Cartilage Repair:
16. Office Orthopedics, Sports Medicine and Spine Problems, Emory University School of Medicine April 15-16, 2005
Common Foot and Ankle Problems”
New Treatments for Young Patients with Cartilage Defects”
17. Georgia Orthopedic Society Meeting. Lake Oconee, Greensboro, Ga, November 8, 2005
Open repair of Achilles tendon rupture: new suture technique, biomechanical and clinical results.”
18. International Cartilage Repair Society 6th Annual Symposium, San Diego, CA, January 11, 2006
“Treatment algorithm for osteochondral lesions of the talus: a prospective case series (Poster)

19. Georgia Athletic Trainers Association Meeting, Peachtree City, Atlanta, Georgia, January 21, 2006
"Sports injuries of the foot and ankle"
20. Office Orthopedics, Sports Medicine and Spine Problems; Emory University School of Medicine, March 31- April 1, 2006
Common Foot and Ankle Problems"
"New Treatments for Young Patients with Cartilage Defects"
21. Georgia Society of Orthotists and Prosthetists Annual Meeting; Atlanta, GA, April 28, 2006
"Adult flat foot deformity: PTTD"
22. Colleague Athletic Trainers Association Meeting, Atlanta, Georgia, June 14, 2006
"Diagnosis and management of the acquired flat foot"
23. Physician Assistant Orthopedic Society, Atlanta, GA, October 1, 2006
Diagnosis and management of the acquired flat foot"
24. Georgia Orthopedic Society Meeting, Sea Island, Georgia, October 14, 2006
Treatment algorithm for osteochondral lesions of the talus: a prospective case series"
25. Internal Medicine Grand Rounds, Emory Crawford Long Hospital, November 17, 2006
"Sports Injuries of the lower extremity"
26. Office Orthopedics, Sports Medicine and Spine Problems, Emory University School of Medicine, April 20-21, 2007
Common Foot and ankle problems"
New treatments for young patients with cartilage defects"
27. Georgia Orthopedic Society Meeting, Lake Oconee, Georgia, October 11, 2007
Cartilage repair of the talus: an update
Chair: Foot and Ankle Breakout Session
28. Southeastern Athletic Trainers Association Meeting, Nashville, Tennessee, March 2, 2008
"Ankle injuries in the athlete: an update"
29. Fowler Fellows Meeting, Emerald Lake, Alberta, Canada, March 26- 27, 2008
"Conformis implants: the Emory experience"
"Talus OLT: a prospective series of 40 patients"
30. Office Orthopedics, Sports Medicine and Spine Problems, Emory University School of Medicine, April 25-26, 2008
"Common Foot and Ankle Problems – Office Based Solutions"
"Cartilage Repair and Joint Preservation Surgery"
31. Georgia Orthopedic Society Meeting, Sea Island, Georgia, October 18, 2008
Total ankle replacement: the Emory Experience

32. Office Orthopedics, Sports Medicine and Spine Problems, Emory University School of Medicine, April 24-25, 2009
 - “Common Foot and Ankle Problems: Office-Based Solutions”
 - “Cartilage repair and Joint Preservation Surgery”
33. Georgia Athletic Trainers Association Meeting
 - “Musculoskeletal Injuries in the Performing Arts
 - January 17, 2009
34. Emory Sports Medicine Symposium, March 20-21, 2009
 - “Foot and ankle injuries in the Athlete”
 - “Cartilage repair and joint preservation surgery”
35. Gould Fellowship Meeting, May 15-16, 2009
 - “Hallux valgus surgery: treatment pitfalls”
 - “Talus OCD: An update”
26. Southern Orthopedic Association Meeting, July 14, 2009
 - o Total Ankle Arthroplasty
 - o Cartilage defects: a new treatment algorithm
27. Georgia Orthopedic Society Meeting, October 10, 2010
 - “Total ankle arthroplasty: is it ready for primetime?”
28. Visiting Professor: Steadman-Hawkins Orthopaedic Clinic, January 25, 2010
 - Grand Rounds Presentation: Talus OCD, an update”
29. Emory Sports Medicine Annual Conference, March 5-6, 2010
 - “Cartilage repair and joint preservation”
 - “Sports Injuries of the Foot and Ankle”
30. Office Orthopedics, Sports Medicine and Spine Problems, Emory University School of Medicine, April 22-24, 2010
 - “Cartilage repair and Joint Preservation Surgery”
31. Office Orthopedics, Sports Medicine and Spine Problems, Emory University School of Medicine, April 29-30, 2011
 - “Cartilage repair and Joint Preservation Surgery”
32. Visiting Professor: Department of Orthopedic Surgery, University of Alabama at Birmingham. Grand Rounds Presentation: Osteochondral Defects of the Talus: Update 2011. November 29, 2011
33. Office Orthopaedics, Sports Medicine and Spine Problems: Emory University School of Medicine, April 27-29, 2012.
 - “Cartilage update 2012”

Invitations to National or International Conferences:

1. 3rd Congress of the European Foot & Ankle Society, Stockholm, Sweden.

- The Basal Concentric Shelf Osteotomy: Birmingham Experience.** June 16,2000.
2. 7th Meeting of the American Sports Medicine Fellowship Society, Birmingham, Alabama.
The Endoscopic treatment of Haglund’s Syndrome: An Anatomic study and Suggested Technique. June 8, 2001.
 3. The American Orthopedic Foot & Ankle Society- Atlanta Regional Review Course. Piedmont Hospital, Atlanta. September 29, 2001
**Biomechanics of The Foot and Ankle
Arthritis of the Forefoot**
 4. The American Orthopedic Foot and Ankle Society Summer Meeting. Traverse City, Michigan, July 17, 2002
Possible Role of the Peroneal Tendons in Static Instability of the Ankle Joint.
 5. The American Sports Medicine Institute (ASMI), Fellowship meeting. Birmingham, Ala, June 5-7, 2003
The Treatment of Osteo-chondral lesions of the Talus: A prospective study.
 6. American Orthopedic Society of Sports Medicine Summer Meeting, July 27, 2005
Instructional Course Lecture “Lateral ankle and subtalar instability”
 7. International Cartilage Repair Society 6th Symposium, January 11, 2006
PlugMatch: Computer-assisted surface mapping for talus osteochondral transplant”
 8. American Academy of Orthopedic Surgeons Annual Meeting, 2006
Anatomic reconstruction of chronic lateral ankle instability: the modified Brostrom-Gould technique. (Video)
 9. American Academy of Orthopedic Surgeons Annual Meeting, 2006
Latissimus dorsi transfer for the management of irreparable rotator cuff tears.” (Video)
 - 10, American Orthopedic Foot and Ankle Society Summer Meeting. **Open repair of Achilles rupture: a simple modification “Giftbox” of the Krackow suture more than doubles its pull-out strength” (Poster) 2007**
 - 11, American Academy of Orthopedic Surgeons Annual Meeting. **“Osteochondral lesion of the talus (OLT) Technique of Osteochondral autologous graft transfer.” (Video) 2008**
 12. Arthroscopy Association of North America. November 22, 2008
Knee Lab Instructor
 13. American Academy of Orthopedic Surgeons 2009 Meeting, Las Vegas, NV.
The “Giftbox” A modification of the Krackaw technique that increases the strength of the repair.” Podium Presentation

Surgical treatment of osteochondral lesions of the talus using a new surgical algorithm” Podium Presentation

Clinical Evaluation of a novel patient-matched knee prosthesis. The ConfoMis I Forma. (Poster)

14. American Sports Medicine Institute Biannual Meeting. Pensacola, FL. June 5, 2009
Athletic Trainers as physician extenders: The Emory Experience
15. American Orthopedic Foot and Ankle Society Meeting, Vancouver, Canada, July 15-17, 2009
“Inbone total ankles: prospective case series” (Poster)
16. American Academy of Orthopedic Surgeons (AAOS). American Orthopedic Foot and Ankle Society Specialty Day. New Orleans, LA. March 13, 2010
Moderator: Paper Session #4
17. Combined American Sports Medicine Fellowship Society/ Hughston Society Fellowship Meeting. Callaway Gardens, GA. Podium Presentation: June 2-3, 2011
Talus OCD: Strategies for Success
Ankle and Hindfoot: Old Problems, New Solutions
18. Combined American Sports Medicine Fellowship Society/ Hughston Society Fellowship Meeting. Callaway Gardens, GA. June 4, 3 2011
Moderator: Scientific Paper Session VI
19. American Academy of Orthopedic Surgeons (AAOS) 2012, San Fransisco, CA. Specialty Day,AOFAS. Feb 11, 2012
Inbone Total Ankle Replacement: Prospective Results.
20. Arthroscopy Association Of North America (AANA) Annual Meeting May 17-19, 2012
Osteochondral Lesions of the Talus: A Ten-Year Prospective Clinical Experience.
